

Role of an Area Representative.

- As an Area Representative you may be asked for help and advice from owners seeking support and help with their Flatcoated Retriever. They may be considering buying or rescuing a Flatcoated Retriever and would like to have more information before they make their decision. If there are any queries you do not feel able to assist with, please refer the owners onto more appropriate sources of help.
- It is helpful if you can allow new or prospective owners of Flatcoated Retrievers time to spend with your own or other Flatcoats, so that people can have an idea of the breed and their characteristics.
- It would also be helpful if you could have a list of clubs or trainers who could offer training in various disciplines, such as gundog training, showing, obedience, agility etc. Although the Area Representatives endeavour to check and validate trainers, clubs etc. it remains incumbent upon individuals to also verify these things for themselves. The Flatcoated Retriever Society cannot be held responsible for doing so.
- People looking for puppies can also be directed to Jenny Bird or Shirley Johnson, who both keep a record of puppies available. We can also suggest people look at our web site which gives comprehensive advice on buying a puppy.
- Requests for help and advice given must be in complete confidence at all times.
- If you require any further information or help, please contact **Shirley Oxford Area Representative Co-ordinator Tel 02392 264703 or email swevenings11@gmail.com.**
