7th June. Judge Heather Gardner Steward Carole Dodson

Beginners

42 Entered 25 Ran.

1. Hedges Satinbaze Water Lily. 1.75 Just needs a little tidying in heelwork then you should do well in Open Competition. A worthy winner of this and the Novice Class. Well done.
2. Mecker's Roseblush. 4.5 Small errors but a good round. Persevere with your training you'll get there.
3. Harralls Acronicta Black Magic at Fluvius. 4.75 Small errors were costly but there will always another day. Nice attitude.
4. Green's Kalliesway Dark Devotion. 5.0 Would have done even better if handler controlled nerves. Have confidence in your dog she really tried hard for you.
5. Allen's Marjosi Moon River. 5.25 Good effort. Needs to work in particular on turns other than that a nice round. Good recall and retrieve..

Novice.

1. Hedges Satinbaze Water Lily. 4.75 I know you were a little fazed by Novice but Lily wasn't! She got you round in style and look what happened.
2. Players Jango Bonnie Lucy of Wayworthy 5.0. My only clear recall of the day!

Confident round but work on those turns! Pleasant Handler.

3. Harralls Acronicta Black Magic at Fluvius. 5.25 Nicely handled but once again just small silly things which you can easily correct. Make sure dog is straight before you set off! Left turns however best of the day.

4. Hewisons Casblaidd Little Linnet. 6.25 ARO Wished there was a best handler prize you would have won it. Eating grass was Incas downfall today! All turns wheeled you need to work on them.

5. ARO Players Wayworthy Baby Spice. 6.25 Chris worked three dogs in Novice not an easy thing to do. However Chilli would have done better if she hadn't lagged.
