Brace and Junior Handling (*Judge Sue Goodman*)

Brace 4, 1abs

- 1st Romeo-Dieste's – A well matched pair of medium sized black bitches with almost identical heads, very feminine outlines who moved almost exactly together with their handler.
- 2nd Mr G and Mrs S Collins – A mixed sex black brace, both dogs had good outlines and nicely matched but gave their handler a more difficult time on the move.
- 3rd Mr B and Mrs G Broadbents – A brace of two male black dogs, not quite so evenly matched, slightly different heads and construction, they did not move quite so together as the other two braces.

Junior Handling 6-11 Years 1 entry

- 1st Eleanor McQuillan aged 9.
This young lady's dog was quite difficult for her to handle, constantly putting his head down to sniff the ground, she listened carefully to my instructions and moved her dog well, I think with a little more practice she will have a good future showing dogs. She was smartly dressed and seemed to enjoy showing.

12-16 Years (1 entry)

- 1st Courtney Gale aged 14
A very smartly dressed handler, she listened to my instructions and confidently controlled her dog moving it exactly as I requested her to whilst looking like she really enjoys showing too.
