Many thanks to the committee for allowing me the honour of judging dogs at the breed show. Huge thank you to all the exhibitors. Special thanks to my stewards Harry Nelson and Christine Whitmore for keeping the ring running so smoothly. Thank you to my co judge Marina Mangham for jointly agreeing on our Best In Show, Best Puppy, Veteran and Best Liver awards.

I would like to add a couple of comments we need to watch, one being bites, I will forgive a level bite but on the day there were far to many with level bites, something we need to think about when breeding. Another concern was briskets or lack of them. Finally rear movement, some quality dogs went down the line due to lack of muscle and hard condition. We must remember this is a working breed, capable of doing a hard days work, not many were driving off their hocks. However I was thrilled with all my winners and placed dogs.

Thank you everyone for the opportunity of judging your beautiful dogs and being so sporting with my decisions, allowing me to have a day I will not forget.
