

United Retriever Championship Show 4<sup>th</sup> Aug 2021

Flatcoated Retrievers. Mrs Pamela Lynott.

First of all a big thank you to the committee for inviting me to judge at this lovely show- a great honour. Thank you to all my exhibitors for supporting me at this difficult time, with many shows happening so close together, and especially mid-week- very much appreciated!

We were blessed with fine weather and some handy trees to give us some shade, which made things a bit more comfortable. The dogs, without exception, were presented in lovely condition. I will not mention dentition- the vast majority were correct, with one seriously over- shot mouth. Movement on the whole was better than I have seen before, with some dogs who stood out with exceptional movement, which was rewarded.

I enjoyed myself so much- a lovely, friendly atmosphere- thank you.

Veteran Dog (7,3)

1<sup>st</sup>- Fox`s Black Mica`s Likes it Hot at Blacktoft JW (Imp Swe)

A favourite of mine, with a very balanced, racy outline. He has a refined, classic head, with a lovely shaped, almond eye. Great angulation all round, level topline and slashing tail- his balance reflected in his sound, flowing movement.

2<sup>nd</sup>- Holland`s SH Ch Brightmoor Caught in the Act at Flatcharm (Imp)

Another I have admired before, just pipped by 1 today. Again, gorgeous head and eye. Good angles, slightly heavier than 1, but sound on the move, level and striding out. In good coat.

3<sup>rd</sup>- Davis`s Pajanbeck Rumour has it

Minor Puppy Dog (0,0)

Puppy Dog (2,2)

Junior Dog (3,1)

1<sup>st</sup>- May`s Ronevorg Dark Angel at Lussac

A racy outline, still much maturing to do, but all there. A pleasing head with almond- shaped dark eye. His coat is developing nicely, and he is well-angulated and sound on the move. A well-set, slashing tail. Liked him very much.

2<sup>nd</sup>- Peers`s Tweedisle Masked Crusader

A heavier type than 1, carrying his tail a little too high in the excitement of the day! Good male head with nice expression. Slightly out of coat, moved ok when settled.

### Yearling Dog (3,0)

1<sup>st</sup>- Holland`s Flatcharm Mayhem Miller.

Not 2 yet, but everything is there- took my eye as he entered the ring- he commands attention. A sound dog all round- gorgeous head and eye. Very good angles and feet, sound front. Level topline, well-set, slashing tail- very pleased with himself! Very good on the move for one so young. I would not normally give a RCC to one this young, but could not overlook him- undoubtedly he will be a champion one day...RDCC.

2<sup>nd</sup>- Bellamy`s Bochilbarley Harvest Moon with Moontorn.

A pleasing liver boy with lovely head, eye and pigmentation. Well- off for bone and angles, with a good front. Slashing tail. Ok on the move- unlucky to meet 1 today!

### Postgraduate Dog (3,1)

1<sup>st</sup>- Bellamy`s Woodfinch Masquerade

A very sound, nicely-sized dog, with a lovely head and eye shape. Good reach of neck, well-angulated. Slightly out of coat, but this didn`t detract from his happy demeanor and good, sound movement

2<sup>nd</sup>- Satinbaze Cracksman for Blacktoft JW (AI)

A nice workmanlike sized dog, with a good head and expression. His topline let him down today. Sound on the move, with constantly wagging tail, just pipped by 1 today.

Well what can I say about this boy apart from wow! Commands the ring with his presence-a strong, sound lad, with a handsome, mature head and eye. Such good bone, angles and front, and so pleased with himself. So very well- balanced, reflected in his superb, flowing movement around the ring- just couldn't be denied the CC, and very pleased to give him the BOB today. Having not been over him before, I was thrilled to hear it was his 3<sup>rd</sup> CC, making him a new Champion- well done!

Well-balanced for her age, in sleek, gleaming coat. Slightly wobbly on the move, which is understandable, but when settled, moved well and true. Just took my eye from the start. She has an amazing future, I feel. No hesitation in giving her BPB, then BP.
